Effects of Climate.

We hear a great deal said about the beneficial effect upon invalids of the eli-mate of Colorado and other western lo-calities, but when a man changes his place of residence in the hope of improv-ing his health without first trying Dr. Pierce's Golden Medical Discovery, he makes a great mistake. In nine cases out of ten he might save his time and out of ten he might save his time and money. This great remedy owes its power over all affections of the throat and lungs, bronchitis, asthma, catarrh and even consumption, which is lung scrofula, to the simple fact that it purifies and enriches the blood and invigorates the debilitated system.
